ROGERS™
Make more possible™

Offer available for a limited time to new customers within Rogers cable service area (where technology permits). Subject to change without notice. Taxes extra. Data usage subject to Rogers Terms of Service and Acceptable Use Policy. See www.rogers.com/terms for full details. Rogers reserves the right to remove bundle benefits if services are changed or cancelled resulting in you no longer being eligible. Offer end dates vary by address, occupancy date and are subject to board approval. *You are receiving a special rate for this service under a bulk arrangement between Rogers and your building. If the bulk arrangement ends, this service will be cancelled. At that time, you may choose to subscribe to services with Rogers at then-current rates, subject to any applicable rate increases. Discount applies to monthly service fee for core services only. Additional optional add-ons and pay-per-use rates are not included with the offer. Discounted price per month for the duration of the bulk arrangement or until otherwise notified for Popular or Premier packages is $56.24 and $75.00 respectively. **1** Speeds may vary with internet traffic, server gateway/router, computer (quality, location in home, software and applications installed), home wiring, home network or other factors. An Ethernet/wired connection and at least one additional wired or wireless connection are required to reach maximum download speeds of up to 1Gbps for Ignite Internet Gigabit. See Acceptable Use Policy at rogers.com/terms. **2** The times and usage amounts specified are approximations based on maximum theoretical speeds and file size estimates and will vary depending on size and quality of content. **3** Available for calls to Canada only. Plan intended for direct dialed conversations/voice messages only, based on a total of 44,640 minutes/mo. Chat lines, data, fax and/or long distance calls made using call forwarding and three-way calling features are prohibited. One-time Ignite Home Phone installation fee of $49.99 will apply if the service is installed separately at a later date. Existing Rogers Home Phone customers who subscribe to a Rogers Ignite bundle must switch to the Ignite Home Phone service (activation optional) and existing home phone service will no longer be available. Certain features not available with Ignite Home Phone service, including TV call display, distinctive ring, battery back-up, auto connect, foreign exchanges and multiple lines. In the event of a power or network outage/disconnection, you will not be able to make any voice calls, including Emergency 9-1-1 calls with your Ignite Home Phone service. ™Trademarks of or used under license from Rogers Communications Inc. or an affiliate. ©2020
