

ARTESIAN READY

The pre-meeting ritual that can make the real difference to your success in those all-important meetings

Prepare

Get the latest insights, breaking news and financials with access to your watchlists, on the go.

Connect

Connect Ready to your phone's calendar to access relevant information about the people and company you are meeting with.

Collaborate

Collaborate and share insights with the colleagues attending a meeting with you.

On the go

Available for free on iOS (iPhone) and Android to all Artesian users.

5 easy steps to get your team meeting Ready

Individuals can download the app **right now** from Google Play or Apple Store. If you would like to roll it out across your entire user base, Artesian's Services team will work with you to ensure your teams are Ready:

1. Provide mobile numbers for your users
2. We will then send them a link via SMS
3. Download the app
4. Sign in and get started
5. Learn more via our Academy Guided Tutorial

Get in touch with your Customer Success Manager to discuss how we can help get your teams Ready: csmteam@artesiansolutions.com
