Offer available for a limited time to prepaid bulk internet customers within Rogers digital cable and Smart Home Monitoring service area (where technology permits) and subject to change without notice. Offer subject to the terms of your building's bulk agreement with Rogers. Offer end dates vary by address, occupancy date and are subject to board approval. Taxes extra. See rogers.com/terms for full terms and conditions. ***$104.99/mo thereafter (subject to change) **1** Speeds may vary with internet traffic, server gateway/router, computer (quality, location in home, software and applications installed), home wiring, home network or other factors. See Acceptable Use Policy at rogers.com/terms. An Ethernet/wired connection and at least one additional wired or wireless connection are required to reach maximum download speeds of up to 1 Gbps for Rogers Ignite Gigabit Internet. **2** Applicable to Ignite TV IPTV service packages (excludes digital TV packages). **3** Taxes extra. A $99 installation fee applies (additional install fees may apply for professional install of optional add-ons). See rogers.com/smart for details. An Early Cancellation Fee applies if customer cancels eligible Internet service and/or Smart Home Monitoring plan prior to end of 2-yr term. **4** One-time Ignite Home Phone installation fee of $49.99 will apply if the service is installed separately at a later date. Existing Rogers Home Phone customers who subscribe to a Rogers Ignite bundle must switch to the Ignite Home Phone service (activation optional) and existing home phone service will no longer be available. Certain features not available with Ignite Home Phone service, including TV call display, distinctive ring, battery back-up, auto connect, foreign exchanges and multiple lines. In the event of a power or network outage/disconnection, you will not be able to make any voice calls, including Emergency 9-1-1 calls with your Ignite Home Phone service.
