PTV Traffic User Group Meeting in Vienna
Call for Papers

We invite you to not only attend the **PTV Traffic User Group Meeting in Vienna**, but to actively participate in it.

- Are you currently working on an innovative project using the PTV Traffic Software?
- Would you like to share your experience and expertise with other users and traffic experts?

Then apply and send us a short abstract to events.ate@ptvgroup.com until **January 31st, 2019**. Present your project, your idea, your topic briefly, with a focus on how you have handled your task by using our PTV Traffic Software.

YOUR PRESENTATION

Your presentation should not exceed **15 minutes** and **5 additional minutes** are reserved for questions and discussion. There is no limit regarding the number of people contributing to the preparation and participating in the presentation.

YOUR SHORT ABSTRACT

Please send us your abstract to events.ate@ptvgroup.com. The length should not exceed a ½ DINA4 page and should contain the following:

- Title of the paper
- Speaker's name (s) (incl. academic title(s))
- Your company or institution and university
- Key subject (see topic list)
- Main core sections/ bullet points of your paper.

We will inform you until **February 10th, 2019** on whether your paper has been accepted or not, and if you can therefore participate as a speaker at our user group meeting.

OUR TOPICS

You are free to apply for one of the following topics:

- Public Transport (planning, evaluation and operation)
- Road Safety
- Environment
- Smart Cities
- SUMPs
- New Mobility (MaaS, Autonomous Driving)
- Transport Planning, Traffic Engineering and Traffic Management (Real-Time
